

NORTH COAST SEA TOURS

Stacks & Handa Island Sea Birds Tour (May to early August)

Duration: 3 hours

Departs: Kylesku slipway IV27 4HW

Highlights include: Spectacular sea stack 'Old Man of Stoer', and a close quarters coastal tour of seabird city of Handa Island.

Seabirds: During the breeding season May to early August Handa Island and its sea cliffs are home to an abundance of sea birds including puffin.

Suitable for: Adults and young persons aged 10 and above

Visit some of Scotland's most stunning and least explored coastline. Leaving from the picturesque fishing hamlet of Kylesku we provide high quality, guided boat tours to suit all types of adventures.
